

## **Provision of external audit services in charge of expenditure and revenue verification to “MedSNAIL Project”.**

The University of Sfax, a partner in the MedSNAIL Project funded by the European ENI CBD MED 2014-2020, is looking for an external auditor for this project

The project implementation period is 36 months (starting date: 01 September 2019 - ending date: 31 August 2022).

MedSNAIL Project aims at aim fostering the enhancement and development of small-scale traditional agro-food value chains that offer increased business opportunities and more socio-environmental sustainability. The project builds on the well-established experience and methods of SlowFood, an international grassroots organization promoting traditional food with a strong focus on biodiversity preservation.

For more information about the project: <http://www.enicbcmed.eu/projects/medsnail>

The language of the contract and all written communications, including reports, between the Auditor and the Project Partner (or Lead Beneficiary if it were needed), shall be English.

The Auditor shall execute the tasks assigned to him in accordance with the call proposal.

To guarantee the compliance of the selected auditor with regulation 897/2014, article 32 that regulates the audit and control structures of the cross-border cooperation programs of the European Neighbourhood Instrument (ENI), the selected auditor must be registered in OECT (Ordre des Experts Comptables de Tunisie) and in this list [https://www.univ-sfax.tn/ref.php?file=Liste\\_auditeurs\\_ENI\\_CBC\\_MED.pdf](https://www.univ-sfax.tn/ref.php?file=Liste_auditeurs_ENI_CBC_MED.pdf)

The deadline for submitting bids is 10-07 - 2020

The terms of reference are available in the following links [https://www.univ-sfax.tn/ref.php?file=TDR\\_audt\\_medsnail.pdf](https://www.univ-sfax.tn/ref.php?file=TDR_audt_medsnail.pdf).
