Aux Délégués permanents et observateurs
auprès de l'UNESCO

9 janvier 2018

Réf. : SC/EES/EGR/17/11440

Madame la Déléguée permanente
Monsieur le Délégué permanent,

Le Programme international de géosciences (PICG) est le fruit de 45 ans de collaboration entre l'UNESCO et l'Union internationale des sciences géologiques (UISG). L'UNESCO et l'UISG recherchent trois nouveaux candidats pour le Conseil du PICG. L'appel à candidatures concerne les thèmes suivants : **Géorisques, Changement global et Ressources de la Terre.**

Tout candidat qui souhaite postuler devra remplir le formulaire numérique de candidature, en y joignant un curriculum vitae (avec une liste de publications, de collaborations internationales et d'autres activités connexes), une liste des 10 publications les plus importantes au cours des 10 dernières années ainsi qu'une lettre de motivation. Tous les documents devront être transmis en anglais au Secrétariat du PICG à l'UNESCO (à o.adiyaman@unesco.org avec en copie ml.faber@unesco.org) avant le 12 mars 2018.

Si vous connaissez d'excellents scientifiques, qui ont des expériences exemplaires dans les domaines de recherche en géorisques, changement global et ressources de la Terre et une passion pour la collaboration internationale, nous vous remercions de bien vouloir leur suggérer de nous transmettre leur candidature. Aucune limite n'est fixée quant au nombre de candidats par Etat membre. Nous encourageons particulièrement les candidatures des femmes ou chercheu(r) (se)s basés en Afrique, en Asie ou en Amérique latine.

Un appel à candidatures pour rejoindre le conseil du PICG en 2018 est disponible sur le site internet de l'UNESCO, à l'adresse suivante :

http://www.unesco.org/new/fr/natural-sciences/about-us/single-view/news/call_for_members_to_join_the_council_of_the_international_ge/

Nous vous remercions pour votre coopération et pour soutenir le fonctionnement du PICG à son plus haut niveau scientifique et vous prions d'agréer, Madame la Déléguée permanente, Monsieur le Délégué permanent, l'assurance de ma haute considération.

Eric Faber
